#### L'Ardiaca Beach

This beach is located slightly outside of the centre of Cambrils. There is a breakwater along its length ensuring that the water is safer for children. It is one of Cambrils' less crowded beaches. There are outdoor showers, toilets, sun loungers and parasols to rent, pedal boats and *chiringuito* (a beach restaurant) selling food and drinks.

#### La Llosa Beach

This beach is located slightly outside of the centre of Cambrils. There is a breakwater along its length, ensuring that the water is safer for children. It is comparable in terms of facilities to L'Ardiaca Beach, and it is about as crowded.

#### D' Horta Beach

D' Horta beach is one of Cambrils' smallest beaches. It is located close to the centre of Cambrils. This makes it a popular and sometimes crowded option. There are outdoor showers, toilets, sun loungers and parasols to rent and a *chiringuito* selling (excellent) food and drinks.

#### La Riera Beach

This is one of Cambrils' most central beaches. It is small and generally busy. It does not have as many facilities as some of the other beaches, but it does have showers.

This is one of Cambrils' most popular beaches. It is also one of its larger beaches: 967 metres in length. It is one of the most well-serviced Cambrils' beaches. There are showers, toilets, sun loungers and parasols to rent, pedal boats and a beach bar selling food and drinks.

#### El Cavet beach

### **L'Esquirol beach**

This is one of Cambrils' most picturesque beaches. It is reasonably long (895 metres) and quite crowded. It is located in a semi-urban area, away from the main port area. It provides disabled access. It has showers and a toilet, pedals boats and sun loungers.

### **Cap de Sant Pere beach**

Cap de Sant Pere Beach offers a picturesque stretch of fine sand and

calm water. It is located at one of the furthest points from the port area of Cambrils. However, it is close to Cambrils' largest camping grounds, ensuring that it is very busy in the summer months. It offers showers, toilets, a foot wash, and sun loungers.
